Dear Professor Abrami,

I am writing to thank you very much for your letter of 13 May 2010 in which you set out the background to the interesting proposal of the International Academy of Environmental Sciences for the creation of an International or European Environmental Criminal Court.

I would like to invite you to present the proposal to the Environment, Public Health and Food Safety Committee at its meeting of Wednesday 14th July at 4.30pm in the European Parliament in Brussels, and thereafter to participate in an exchange of views with the Members of the Committee.

I have instructed the Committee Secretariat to liaise with your officials concerning the practical details of the visit. I should however advise you that in accordance with Parliament's financial regulations it is unfortunately not possible to provide reimbursement for travel expenses connected with attendance at the Committee meeting.

I very much hope nevertheless that you will be able to accept our invitation to attend the Committee on this date and I look forward to meeting you.

Yours sincerely,

Jo LEINEN
